

Sample Registration Form- VT Summer Research Symposium

Deadline: July 22 @ 9:00am

All presentations will be in POSTER format. Registration is free. If you are presenting as a team/group, please submit only one registration form and list all members of your team. Please note that once you submit the form you will not be able change your title or abstract, so make sure that it is final before completing this form. You are STRONGLY encouraged to consult with your research mentor before completing this form.

Details about the conference, including presentation guidelines, a schedule, will be made available on the conference webpage at least one week before the event:

<https://tinyurl.com/2019summersymposium>

You are encouraged to compile the required information off line and then copy and paste into the registration form.

Presenter Information

Presenter Name, Email Address

If you are presenting as part of a group, list name, email address, major/teaching subject, and home institution for each team member.

For undergraduates....

Home Institution

Graduation year (if applicable)

Primary Major

For teachers....

Name of school where you teach

Subject(s) you teach

Project Information

Faculty Mentor Name(s), Institution(s), Department(s), Email address(es)

Name of organized research program you participated in this summer, if applicable

Project Title

Abstract (250 word, max): Where possible, please try to avoid special characters and formatting such as bulleted lists and hard returns, as they will not be translated correctly from the survey software to the abstract book. Your abstract should include the following:

- Statement of the research question(s) or goal(s) of the project
- Purpose of the study or creative works (i.e. big picture and where it fits in)
- Methods or description of creative/analytic processes used
- Summary of results or description of project outcome(s)

You may upload a formatted copy of your abstract in Microsoft Word to show key formatting elements.
