

# EXPAND YOUR HORIZONS AT VIRGINIA TECH: Apply for a summer undergraduate research opportunity!

## TRANSLATIONAL OBESITY UNDERGRADUATE RESEARCH SCHOLARS

### Highlights of being a TOUR-Scholar:

- Receive a \$5250 stipend for the 10-week summer program
- Guided trips to NIDDK, National Library of Medicine, and industry/clinical tours
- A mini-grant for research funding
- Professional development and group cohesion
- Presenting at Virginia Tech's annual Summer Undergraduate Research Symposium

TOUR-Scholars are matched with a faculty mentor working across the obesity translational spectrum. Ten undergraduate students from departments across Virginia Tech, including at least one student from an accredited institution outside of the university, will be chosen to participate.

*Note: applications are due by fall with notifications sent in spring.*
