

Peer Mentor Application Summer 2019
Example Application

Last name

First name

VT E-mail address (this will be our main mode of communicating with you)

Primary major

Secondary major (if applicable)

Minors you are pursuing

Expected (or actual) graduation semester, year

Total number of semesters conducting research (on one or more projects; please count summer research as one semester, even if you were off campus).

In which format(s) did you conduct undergraduate research? Select all that apply.

Voluntary

For credit

For pay

Other

Other - Text

Are/Were you part of a formal research program, such as Scieneering, SURF, IMSD, MAOP, NSF REU, etc? Please list all programs you are/were affiliated with. For REU programs, please list REU title.

Please briefly describe your research experience(s).

What do you think is the most important thing an undergraduate student should know as they start their research?

How would your friends describe you?

What program ideas do you have to build community among a group of diverse students during the short duration of the summer program?

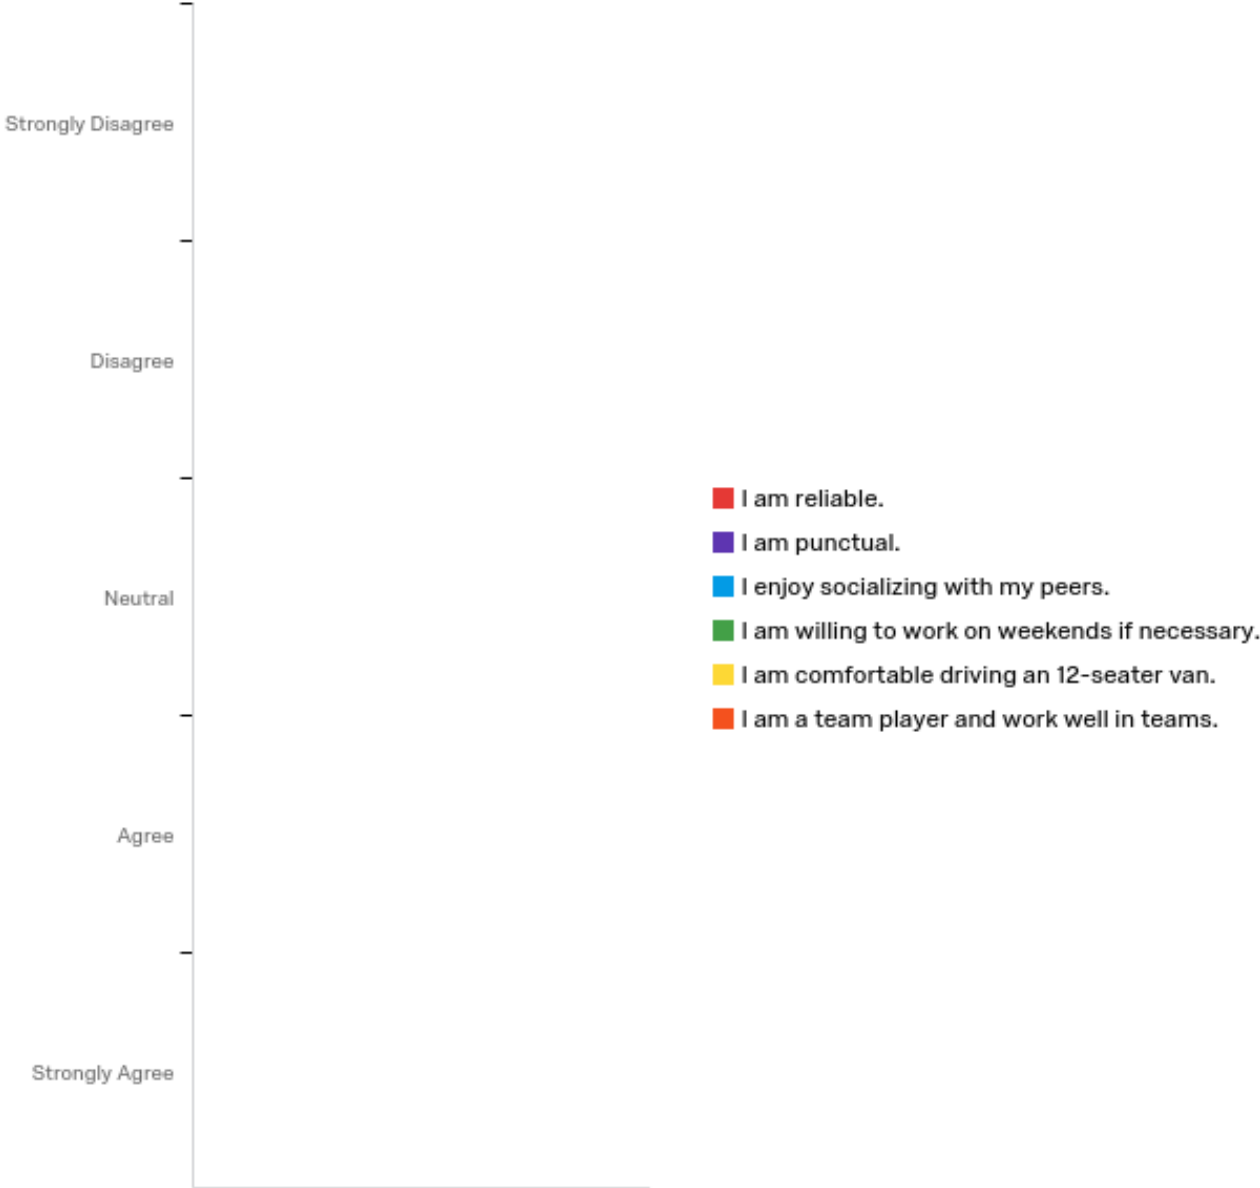

Have you ever mentored other students?

Please describe your experience and what you learned from the experience.

Have you ever planned or coordinated an event (social or otherwise)?

Please describe your role(s) in the event and any challenges you encountered and how you overcame them.

Please rate yourself on the following attributes.

#	Field	Minimum	Maximum	Mean	Std Deviation	Variance	Count
