2. **CyberLeaders Scholarship Program Applications for Spring 2019**
   The Virginia Tech CyberLeaders Scholarship Program is currently seeking students to join the 2018-2019 cohort as they spend the Spring 2019 semester in Washington, D.C. In addition to courses on cybersecurity at the business and federal levels, this semester includes opportunities to conduct real-world research that gets presented to business and government leaders, networking opportunities with top professionals in the field of cybersecurity, and a scholarship to help you fund the semester.

   Interested students can [apply at this link](#) with a resume and short statement of their interest in cybersecurity. If you have any questions, please contact Russ Walker at rswalker@vt.edu. Review of applications will begin on October 29th.

3. **Paid Internship Opportunity- VP for Finance Office at VT**
   This is a 12-week, paid internship program for talented individuals from diverse backgrounds. Interns are provided a cross-departmental, hands-on learning and development experience in the Vice President for Finance departments, which include:
   - Budget & Financial Planning
   - Capital Assets & Financial Management
   - University Controller (including Bursar’s office and Risk Management)
   - Hokie Passport Services
Although the internship is concentrated in the Finance areas, students from any educational background and interest are encouraged to apply. This could be an outstanding experience for any student interested in working in higher education administration or continuing a Finance-related career. Please direct questions to vpfinfo@vt.edu.
